Village of Shiloh

Disposition of Village Owned Real Estate

It is the desire of the Village of Shiloh to dispose of a parcel of real estate within the corporate limits of the Village that has been considered surplus and no longer needed for public use. The property that the Village intends to dispose of is 225 Seibert Road.

The parcel may be disposed of through acceptance of competitive proposals being solicited from the general public. It is the desire of the Village to sell the property with the new owner granting permission for the Village to enter upon such property to relocate the fence for the property at 202 Southridge Drive. This is a condition of any sale which may result.

The proposal received, which offers the highest price quoted for the property will receive priority consideration.

Those interested in responding should submit their proposals to the Village Clerk, Village of Shiloh, Illinois. Responses must be received by **2:00 P.M. on Monday, May 3rd, 2010**. All proposals received by said deadline will be opened and read aloud on **Monday, May 3rd, 2010 at 2 P.M.**

For further information regarding the property or to schedule a site visit, contact:

O'Fallon and Shiloh Chambers of Commerce merged on February 15, 2010. Check <http://www.shilohil.org/nixle.pdf>

Mayors James A. Vernier, II & Gary Graham are pleased to announce that the O'Fallon and Shiloh Chambers of Commerce have merged, effective February 15, 2010.

"Combining the two groups into one will expand the ability of the chamber to promote our region and encourage economic development that will be mutually beneficial for businesses in O'Fallon and Shiloh," said Mayor Vernier.

"The merger of the two chambers is a great opportunity for both O'Fallon and Shiloh businesses to work together to make our local region even stronger during these difficult economic times," said Mayor Graham.

The alliance of the two chambers will allow for better focus on the local region's businesses as well as the individual communities. A larger membership will combine some increase in dues revenue without significantly increasing expenses, eliminate the need for dual membership, and increase networking opportunities for members.

The allied chamber's name will be the O'Fallon-Shiloh Chamber of Commerce.

Shiloh is discontinuing its Bi-Annual Newsletter because we are going to begin to use the Community News option of the Nixle Program to provide information to residents. We believe this to be a better option for residents since we can do more “up to the minute” updates for you.

For those of you registered with Nixle for Police and Public Works Emergency Information you will continue to get the alerts from them. I will strictly be sending community news only to everyone.

If you do not want the community news and only want the emergency info you can make that selection in the settings portion of your account with Nixle.

Any questions please call 632-1022 x 110 or e-mail shiloh@shilohil.org

Thanks!

Brenda Kern, Village Clerk
