

This year our ADHD Support Group Meetings are sure to be the best yet! We have some amazing speakers from Speech Pathologist, Neuropsychologist, Pediatric Psychologist and much more! Meetings will again start at 5:30 with speakers beginning at 6, leaving time for a question and answer session and concluding our meeting around 7:30! Like always you **DO NOT** have to be a **CHADD member** to attend our meetings.

Special thanks to Brenda Kern of the Shiloh Chamber of Commerce for allowing us to use the Shiloh Senior Center for our meetings!!!
